Be a Genius Renovate approved supplier

What is necessary to become a Genius Renovate approved supplier?

We like contractors who give good value for money, are courteous, prompt, offer advice, are reliable and provide good workmanship.

Approved suppliers will:

- Have their logo in one of our advert positions on our website
- Be given first place in the run in for contracts
- Be prompt in providing prices for contracts
- Be willing to communicate via our project management tools
- Be proficient in using our Tradify Job Booking system
- and be an example in following our procedures
